

1. PRIMARY DISPLAY FONT

INSTRUMENT SERIF

ALTERNATIVE: CANELA

PURPOSE

- Headlines
- Hero sections
- Onboarding screens
- Premium branding moments
- Section headers
- Marketing materials

Practice
with purpose.

Range Rat is built for golfers who
show up every day to improve.
Track your progress. Stay consistent.
Get better.

ABCDEFGHIJKLMNOPQRSTUVWXYZ
abcdefghijklmnopqrstuvwxyz
1234567890

STYLE NOTES

- Elegant but restrained
- Subtle golf heritage feel
- Modern editorial luxury
- Inspired by premium golf
apparel and country clubs

RULES

- Use sparingly
- Maintain generous spacing
- Avoid excessive italics
- Avoid all caps for long headlines

2. PRIMARY UI FONT

INTER TIGHT

ALTERNATIVE: SÖHNE

PURPOSE

- All app UI
- Buttons
- Navigation
- Forms
- Labels
- Menus
- Dashboard information
- Practice tracking UI

Track every rep.
See every gain.

Your game. Your data. Your edge.
Everything you need to improve,
all in one place.

ABCDEFGHIJKLMNOPQRSTUVWXYZ
abcdefghijklmnopqrstuvwxyz
1234567890

STYLE NOTES

- Clean and modern
- Highly legible
- Athletic but minimal
- Inspired by modern golf
tech platforms like Trackman
- Feels native to iOS design

RULES

- Prioritize readability
- Maintain clean hierarchy
- Use medium and semibold
weights primarily
- Avoid overly thin weights

3. PERFORMANCE / STATS FONT

DIN CONDENSED

ALTERNATIVE: OSWALD

PURPOSE

- Distances
- Session stats
- Challenge metrics
- Scorecards
- Streak counts
- Training data
- Performance numbers

TOTAL DISTANCE
245 YDS

BALLS HIT	STREAK	AVG. CARRY	LONGEST
127	12	198 YDS	276 YDS

STYLE NOTES

- Athletic utility feel
- Inspired by scoreboard and
performance typography
- Clean condensed structure
- Creates contrast with
primary UI font

RULES

- Use selectively for emphasis
- Ideal for numbers and
compact stats
- Avoid paragraphs or
large text blocks

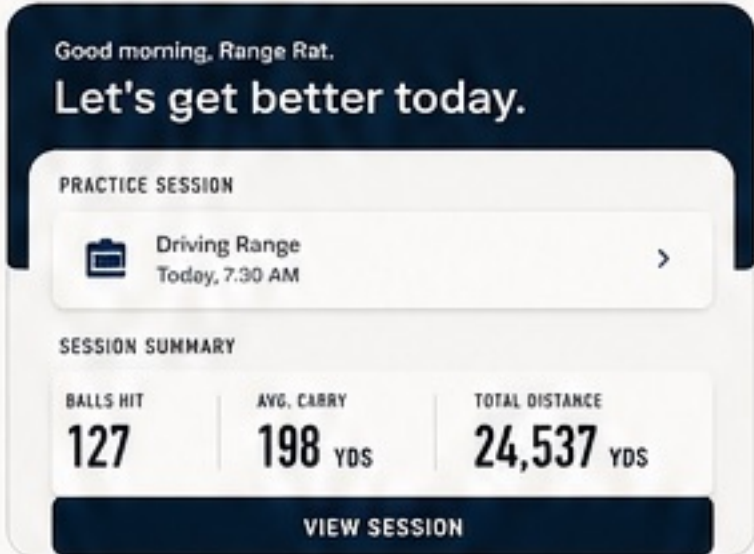

TYPOGRAPHY HIERARCHY EXAMPLE

Build the habit.
Lower the scores.

Every rep counts. Track it. Improve it. Own it.

1	DISPLAY FONT	Instrument Serif
2	UI FONT	Inter Tight
3	STATS FONT	DIN Condensed

APP UI EXAMPLE

STATS EXAMPLE

DO

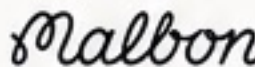

- Use generous spacing and padding
- Create breathable layouts
- Emphasize clean hierarchy
- Use sentence case often
- Maintain visual restraint
- Balance modern minimalism
with subtle golf heritage

DON'T

- Overuse all caps
- Use neon colors with typography
- Use exaggerated font pairings
- Use heavy gradients or glow effects
- Create cluttered layouts
- Make the app feel like a generic
sports app or startup dashboard

INSPIRED BY

TRACKMAN

TYPOGRAPHY GOAL

The typography should make Range Rat feel like a premium golf improvement platform—built by real golfers, modern but timeless, fun while still professional, approachable without losing credibility.
